

Certificate of Conformance

REACH Declaration of Conformity

SVHC list (with Annex XVII) Compliance Statement

We, High & Low Corporation hereby declares that the following product we provide to the market does not intentionally add or use any substances listed in the SVHC list and is compliant to the REACH SVHC list of regulation (EC).NO 1907/2006:

Brand:	
Product Description:	Power Line Filters
Manufacturer:	High & Low Technology Co., Ltd.

The list of SVHC is published and was updated last on January 17, 2022, it contains a total of 223 substances. According to our current state of knowledge, our products – including materials – do not contain substances that are part of the list of SVHC in amounts greater than 0.1 weight-%. Neither do we use substances listed in Annex XVII in restricted applications.

The SVHC candidate list was first issued October 2008 by ECHA and repeatedly updated since then. Frequent further additions to the list are expected. We will continue to monitor for changes in the existing regulation and implement changes with the REACH Directive to ensure our customers are provided with regulatory approved and legislation compliant products when required.

Additional Information

The product defined in the table are designed and manufactured under a quality management system of ISO 9001:2015 and ISO 14001: 2015.
